Rules and Regulation :-
Matsyodari Shikahan Sanstha's , Ambad / Jalna Dist. Jalna

Membership : A)

The person who is 18 year old, must be an Indian, he should pay the contribution that the institution has decided and the direction body should give the approval to his membership than he can be the member of this institution .

If any one wishes to be a member of this institution he must be the Indian above 18 years. He should pay the decided contribution to the institution upon which society considers his member ship , he can be member of the society.

The membership of the institution will be as following.

- 1) Life members –Those who pay Rs. 501 /- at one time to the institution .
- 2) Common membership –Those who pay the annual contribution Rs.25.

B) The Cancellation of the membership :-

The membership of member can be cancelled if he is dead if he gives resignation to the president , if he doesn't give the annual contribution in time or late to do so, or the directors body take decision to cancel some body's membership.

If the director body has taken decision to cancel someone's membership, then it is not the responsibility of the institution to give reason for that. If the membership is cancelled because of the Areas 1/2 about the and if he repaid all, then he could be the member of the institution again, but at this time the institution must take the decision.

In case, the institution wants to cancel the membership because of the inconvenience of the contribution, the institution is supposed to inform him before 15 days, and let him opine himself about it. All within 15 days the member must pay their contribution three months before the audit of the institution. All the members will have the equal right to vote.

2) **General Meeting :-** All the members are included in this assembly, all the kinds of property will belong to this common body. The audit years of the institution will be from 1st April to 31st march. After the audit of the institution the meeting will be called before the next year, all the members will be noticed before 15 days. In the notice , the date, time, subject and the place will be mentioned.

2

The corrum will be considered when 1/3 members out of total strength or 25, or the less number whatever if may be will remain, present for the meeting. If the corrum is less after half how again the corrum can be called at the same place. This type of meeting would not need the corrum.

B] If one third members or more than that write to the president to call the meeting. The president will then call the special general meeting. For this special meeting, the rules of general assembly will be considered. If the special general meeting is not called after the written request then the requesting members can call the special general meeting. All the passed resolutions are restricted to the institution and to the life members of the institution. The body members or the directors body can call the special and urgent general meeting for the purpose of the urgent causes.

C) The Functions of General Meeting.

The following activities will be done in the general assembly.

- 1) To give the sanctions to the accounts of the director's body and the audits that assessed by the auditor.
- 2) To approve the budget that is put by the directors body.
- 3) To elect the director's body and life members after every five years.

The director members will be the life members of the institutions as follows :

- 1) President 2) Voice-President 3) Secretary 4) Asst. Secretary 5) Treasury
- 4) To appoint auditor of the institution.
- 5) All the decisions are taken by the president, they will be considered after the permission of other members only.

One member will give one vote at once. The voting will be open or secret that the president will decide, if the voting is done openly and 2/3 of the members demanded that it should be secret, so the secret voting will be taken at the same time. The absent members can't send their representatives in the meeting. The President will reserve his right to take decision while there is equality in votes.

D) The Directors Body :

- a) There will be 11 members in the director's body, The members of the director's body and their officials will be elected after every five years, in general assembly that too in the general meeting. The director's body which was at the time of registration will look after the institution only for five years since registration. If director's body will appoint any of the members it any seat gets vacant, such a candidate will work up to next election.

****3****

In the special meeting or general meeting the members can pass a motion of no confidence on the body member or the members of director's body. If the motion will be passed with majority, the new election for the member or the director's body can be arranged, and the members are elected. The director's body which is newly elected will be remained for the period of 5 years.

3) The meeting of the directors body will be called at least once in the period of three months. The meeting will be called at any time for the sudden cause as unexpected happenings, otherwise the circulating system can be adopted for the meeting to take decision. the date, the day, the time, the subject and the place will be mentioned in the notice.

b) **The Function of the director's body.**

- 1) To implement the decisions taken in the general meeting .
- 2) To look after the daily and common affairs of the institution .
- 3) To make the membership of the institution or to cancel the membership of someone .
- 4) To take loans, to accept donations, to get grant, contribution & to raise funds.
- 5) To keep the accounts of the institutions, make their audits and put them before the general meeting.
- 6) To plan and make the budgets of the institution, and put them for grant before the general meeting.
- 7) To appoint the servants of the institution, to sanction their leaves and to reduce them.
- 8) To maintain all kinds of property of the institution and in change it with the sanction of the general meeting.
- 9) To Spread the branches of the institution or to merge some other relevant institution in the institution, but the merging institution must have the same goals and achievements.
- 10) To make the rules for the internal affairs of the institution to appoint the employees.
- 11) To take necessary decision for the education e. g. to give scholarship, to help for the education, to get loans, to distribute various scholarships to the students.

वार्षिक स्नेहसंमेलन - विविध समित्या (सन 2019-20)
सूचना

दि. २७/०१/२०२०

खालील सर्व अध्यापकांना सूचित करण्यात येते की, वार्षिक स्नेहसंमेलन २०१९-२० साठी विविध समित्यांचे गठन करण्यात आले आहे. आपल्या समिती संदर्भाने सर्व कार्यक्रम उपक्रमांचे यशस्वी आयोजन करावे, याची नोंद घ्यावी.
