Give two suggestions

21 responses

Every thing is best

Library should allow 3 to 4 books at a time

Course has good balance between theory and practical

Vary good

Here are some examples of suggestions: How about starting a book club? A suggestion that can be made using the expression "How about/what about + -ing" Why not take a break in the south-west? A suggestion that can be made using the expression "Why not ...?" Stop overfeeding Tricky and maintain a proper low diet for him: A suggestion made by Dr. Herriot to Mrs. Pumphrey about her pet dog, Tricky Make people conscious about the environment: A suggestion for creating public awareness about the environment Here are some tips for making suggestions: Be polite and considerate of the other person's feelings Avoid being blunt or rude Use polite language and tone, such as "perhaps you could consider" or "I was wondering if you might want to try"

Good

Can have hybrid teaching learning evaluation

I like facility.but the environment is very good

Hi

1) Application is more important compared to theory 2)Need Industrial Visits every year

No Idea

This is may college good and beautiful

More improve practical knowledge from course .

Yes

One more professor should have for Zoology

It's all good

I Have no Ideas for there

1) Take regular Follow up on students. 2) Should check left out students list regularly.

वरील माहिती योग्य आहे

Nice working in college

1. Give extra 2 book for digree students.

Feedback on Curriculum

(2023-2024)

Action Taken Report

Considering the analysis of Feedback on Curriculum and suggestions given by different stakeholders, following suggestions are given to different Boards of Studies of the affiliating university:

- 1) Space should be provided for field visits and field projects.
- 2) Employability enhancing contents should be increased in the curriculum.
- 3) Curriculum of each course should be moderate as per number of units.
- 4) Curriculum should include life skill elements.
